

FOR IMMEDIATE RELEASE

DUOS TECHNOLOGIES CEO WILL JOIN EXPERT PANEL DISCUSSION ON CRITICAL INFRASTRUCTURE PROTECTION

Event Topic: "Securing Energy & Chemical Infrastructure: Solutions to Fortify Production and Transport"

JACKSONVILLE, FL, May 20, 2008 – Gianni Arcaini, CEO of Duos Technologies Inc., will participate in an upcoming forum that will address the issues surrounding the transport of chemical and energy products and assets. The event, part of the prestigious "Security Breakfast Series," will be held at The Harvard Club of New York City, 27 West 44th Street, on Monday June 9th beginning at 8:00 a.m.

Mr. Arcaini will join a panel of industry experts that will include Brian Noone, Chief Security Officer of Keyspan-National Grid Corporation, Skip Elliott, Vice President for Public Safety for CSX Railroad, and Joe Tadrick, Office of Infrastructure Protection, U.S. Dept. of Homeland Security. Panelists will share their experiences and discuss potential security solutions such as intelligent video surveillance, remote asset tracking, access control, explosives detection, command and control platforms, and SCADA security.
