# rvspro II™

## Remote Video Server Programmable

**rvspro™** is a premier high performance digital video server and recorder incorporating the latest in video processing, streaming, and transmission technology. The **rvspro™**'s modular design allows a customized deployment in virtually any environment to meet the dynamic needs of the marketplace. Combined with **praesidium®**, Duos' intelligent video sensor suite, **rvspro™** becomes a platform for video analytics, sensor and integrated alarm management, and unified command and control functions. An advanced Graphical User Interface (available in 2D and 3D perspectives) provides an intuitive customized interface for system management and situational awareness.

### FEATURES

- Up to 16 video channels with full analytics on each channel
- Dual analog/IP Camera native support
- Windows Server 2003 (Web Server optional)
- Internal storage capacity up to 6 (six) one-terabyte drives
- RAID levels 0-6 support (optional)
- Browser-based interface
- Up to 704 x 480 recording (4CIF) and streaming
- Independent settings for streaming and archiving
- Built-in PTZ control and support of all major camera manufacturers
- Unlimited scalability of servers and cameras
- 10/100/1000 megabit Ethernet ports
- MPEG-4 / H.264 compression
- High Quality (HQ) buffer for instant playback
- Advanced timeline archive controls
- Search by time, alarm, channel, incident, date, and grouping
- Multiple viewing configurations
- 24/7 technical support
- Digital zoom
- Unlimited web clients
- Video anti-tampering utility
- Multi-level passwords and access
- Capture and print still images from real-time and archived video
- Export video and images to industry standard formats (\*.avi, \*.jpg...)
- Standard R/W DVD
- NTP Time Server compatible
- Pre and Post Alarm recording buffers

### CONFIGURATIONS

MODEL	TOTAL VIDEO CHANNELS	FRAME RATE/ RESOLUTION ARCHIVING (MAX. PER CHANNEL)	FRAME RATE/ RESOLUTION DISPLAY (MAX. PER CHANNEL)	ANALYTICS CHANNELS AVAILABLE
<b>rvspro-1608</b>	16	30FPS / 4CIF	15FPS / CIF	8
<b>rvspro-1616</b>	16	30FPS / 4CIF	30FPS / 4CIF	16
